INVITED SESSION SUMMARY

Title of Session:

The Smart Classroom: Strategies, Tools and Experiences

Name, Title and Affiliation of Chair:

Dr. Ezra K. Mugisa, Department of Computing, University of the West Indies, Mona, Jamaica

Details of Session (including aim and scope):

Smart classrooms are physical and virtual learning spaces enhanced by technologies such as PCs, laptops, tablets, interactive white- boards, intelligent systems, interactive learning software, other e-learning software of various types, conferencing software and infrastructure, and the strategies and personnel that go together with them to make dynamic, interactive learning experiences. This session showcases strategies, tools and experiences of educators, instructional technology developers and school administrators at the pre-school, primary (or elementary), secondary, or tertiary levels.

Main Contributing Researchers / Research Centres (tentative, if known at this stage):
